HINDU NAV VARSH MELA

Hindu Nav Varsh Mela was organized by Janhit Foundation in Saraswati Shishu Mandir, Shastrinagar, Meerut. The main focus of the program was to promote the traditional cultural products whose essence has gone missing somewhere now-a-days. In this program, home based small scale business ideas were discussed for promotion of women in skilled traits. They were encouraged to show their talent and skills for their betterment.

A chaupal was arranged to show the rural life, their advantages and the way of living when we are more connected to our mother earth. Children of slum areas presented a play on the Ramayana to highlight the

- Enhancement of available water resources through water conservation measures
- Promotion of sustainable agriculture by organic farming methods.
- Environmental education and empowerment of local communities.
- Meerut CHILDLINE: a 24/7 helpline for children in need.

AN EFFORT OF WELFARE BY JANHIT FOUNDATION

Janhit Foundation, a NGO, is functioned towards the welfare and development of women.

Initiating the same, Mrs. Anita Rana, Director, Janhit

Foundation gave a guest lecture in Indian Medical Association Hall on 2nd April, 2015.

The focus of the program was to discuss the ideas for improving the present situation of rural women, providing them with the ideas of being self-reliant and self-employed and to devise and diversify vocational training facilities for women to suit their changing needs and skills.

During the program, Mrs. Anita Rana said that, "The limited access to productive resources and low educational levels tends to confine them to a lower status where opportunities for skill training and advancement are reduced."

Vocational training and education programs for rural women are often limited to a narrow range, so we should encourage them and enhance their hidden talents by giving them a platform to work. We should encourage or initiate rural public program especially for women to make them independent.

Mrs. Anita Rana assisted the members of Sanjivani club to empower the women in rural areas and also gave them the self-defense training to reach their goals with full confidence.

Mrs. Nishi Jain, President, Sanjivani appreciated Mrs. Anita Rana for motivating the members of Sanjivani club. She said that she will also take steps to promote the women in rural areas.

EARTH DAY CELEBRATIONS

In order to inspire and raise awareness about appreciating the surrounding natural environment, Earth day was created and is celebrated on 22nd April every year. To become a part of this effort, strived for the betterment of the planet, Janhit Foundation celebrated 22nd April, Earth Day at International Public School, Ganganagar. On this occasion Mrs. Anita Rana, Director of Janhit Foundation, invitedDFO as the chief guest. An interschool debate competition was held in which the students shared and expressed their views on Earth day. 12 schools enthusiastically participated in the competition. Drawing and poster making competition were also conducted for the students which became a medium for them to express their feelings on saving the Mother Earth. Students also prepared some plays highlighting the importance of making a pollution-free planet, planting more trees, saving every drop of water and giving a message to make our Earth an eco-friendly planet. An exhibition was also set up to display paintings and drawings of the students, which were giving the message,

MESSAGE OF PEACE AND HARMONY

On 27 June 2015, a program was organized by Janhit Foundation with the aim of maintaining peace and harmony in the city of Muzaffarnagar and to maintain unity between people of all religion. The people of many religions were present there which itself was a message of unity. The focus of the program was empowerment of girls, importance of self-defense training and to bring forward the idea of Beti Padhao Abhiyan.

Mrs. Anita Rana addressed the people about the importance of girl education. As an African proverb says- "If we educate a girl, we educate a family –and a whole nation." She added, "Education plays a particularly important role as a foundation for girl's development towards adult life,

NAUCHANDI MELA

Navjyoti Welfare

Society and Zila

Panchayat organized a Nauchandi Mela in 2015 with the essence of women

empowerment. Mrs. Anita Rana, Director, Janhit Foundation was honoured with an award for her active participation in her work and efforts for women empowerment. She had organized various programs and workshops for the betterment of women. Along with her, around 51 women were also honoured for their efforts on women empowerment.

Janhit foundation has adopted a girl named Rinki, from slum area who wants to study and has taken her responsibility. The students also participated in various cultural programs and danced and sang, giving the message of women empowerment and also shared the views about child line, 1098. They were very excited for

this program as they were given a platform to show their talent which became possible just because of Mrs. Anita Rana. Addressing the gathering, she said “Women must be inspired and encouraged so that they can make independent decisions on their personal development. Empowering women to participate fully in economic life across all sectors is essential to build stronger economies.”

revived pond

World Environment Day is celebrated every year on 5th June to raise global awareness about protection of the environment.

Realizing the importance of this day, Janhit foundation made an effort to celebrate it in the real sense by Reviving a Pond in Khaspur village, Kharkhoda district Meerut. Pond revival is done to bring water body back to life. Janhit Foundation along with Coca Cola Breweries Pvt. Ltd. and Charities Aid Foundation have taken the initiative of pond revival. Together they joined hands to clean the pond making it pollution free. As the pond was in a very bad condition, all the surrounding waste was dumped into it. It was filled with dirty and stagnant water. It also gave a foul smell.

The inauguration of the was done by Chief Guest,

CELEBRATION OF THE WORLD BREAST FEEDING DAY

World Breastfeeding Day is an annual celebration which is being held from 1-7 August, 2015 with the goal to promote exclusive Breastfeeding for the first 6 months of life. To celebrate this week, Janhit Foundation organize a camp "Mahila Jagrukta Shivir" to create awareness about health and hygiene of women. With the kind of health risks that are posed to human race today, it has become vital to stay as hygienic as possible. In the camp, Mrs. Anita Rana, Director, Janhit Foundation addressed the women about the importance of breast feeding which is beneficial for both mother and the child. Breast milk has important ingredients to build a baby's immune system. Women of Sansad Adarsh Gaon were also made aware about the importance of huaiene and benefits of

Mr. Ravish Gupta, SDM and Saansad Mr. Rajendra Agarwal. Two ponds are also constructed for the purpose of recharging ground water level. Mrs. Anita Rana, Director Janhit Foundation said "Saving water resources is very important to maintain their cleanliness and purity and it is the duty of every citizen as it is a precious gift of God and without water we can't imagine life. " This work has renewed hope among villagers and they appreciated the efforts by the Janhit Foundation. They said "It seems as if the pond is given a life once again. Its water can be utilized by humans as well as by animals and birds." "The pond teamed with birds, greenery and water makes it look great"

AN EFFORT TO PROMOTE CONSERVATION OF FOREST

World Forestry Day has been celebrated around the world every year to alarm the people in the society about the importance and significance of forest. An awareness program was organized on 8 July, 2015 in Khaspur village, Kharkhoda, Meerut in which an appeal was made to conserve forest and ponds. In this plantation program, Mr. Rajendra Agarwal, Member of Parliament, was invited as chief guest and SDM Mr. B.B. Singh Rathore was

DRIVE AIMED AT DETECTING UNDERNOURISHED CHILDREN

To overcome the problem of under-nourishment among the age group of 0-5 years of children, a state government scheme of nourishment mission, a program was organized as weighing day at all centers of Anganbadi. Chief Development Officer, Mr. Navneet Singh Chahal, Development Program Officer Gyan Prakash, Director Janhit Foundation, Mrs. Anita Rana and President Navjyoti Sansthan inspected the centers of aanganbadi at Ghosipur, Meerut Giving details, CDO, Mr. Navneet Singh Chahal said

the Guest of Honour. Recently a pond was resurrected by the joint efforts of Janhit Foundation and Coca Cola Breweries Pvt. Ltd. Mr. Rajendra Agarwal had commended the efforts of both organization for the plantation of trees and revival of pond. Mrs. Anita Rana, Director, Janhit Foundation expressed her views on the importance of planting more trees and conservation of water. She said that, "Forests maintains the balance of ecosystem and work as the backbone of life on earth, so we should take measures to save trees and water reservoirs before it too late. Tree conservation can have positive environmental, economic and health benefits for the community." About 150 trees were planted on this occasion by the forest department. Village Pradhan Shikha Tyagi and Premchand Sharma, Monu, Subhash, Rajkumar and Jitendra including other villagers were present on the function.

WATER QUALITY: A NEED TO BE AWARE OF

On 30 sept, 2015 a program was conducted on water quality and rainwater harvesting by Ministry of Environment forest and climate change in collaboration with Janhit Foundation, a NGO involved in welfare of environment.

The goal of this program was to determine water quality standards and to establish a schedule to restore water with

impaired water quality. This program was held at C.J.D.A.V Public School.

In the program, Mrs. Anita Rana, Director of Janhit Foundation welcomed the guests by giving them bouquet and the inauguration ceremony took place by enlightening the lamp by the chief guests. The honorable guests on the occasion were Mr. Navneet Chahal, CDO, Mr. Ravi Kumar Trivedi, Program Director and chief speaker was Mr. Priyank Bharti, Assistant Professor, Monad University.

Mr. Priyank Bharti shared his views by showing a presentation to the students to make them aware of the water quality and its parameters and to show them the importance of rainwater harvesting. Students also discussed their queries related to the topic.

Next step of this activity was to show a demonstration in which Mr. Deepak Sharma, Convener, Zila Vigyan Kendra conducted experiments for water testing.

Also the cultural program took place in which students performed a play which gave the message to conserve water and its importance.

“Save water, Save life”

Everyone gathered then together took the oath to conserve water and water resources.

In the last, guests were invited to express the message to the students to save water as it is said to be: **The Elixir of Life....** They also addressed the children for rainwater harvesting, its uses, advantages and its importance.

The principal was also very happy and he said, “This creative program delighted and encouraged the students as it taught them the importance of respecting and protecting water.”
